

Criterion B: Record of tasks

Task number	Planned action	Planned outcome	Time estimated	Target completion date	Criterion
1	Interview Owen (client) to find problems.	Understanding clients needs to create a solution.	1:00 hour	05/12/25	A
2	Run solution by client for approval.	Client reviews ideas and confirms it meets needs.	30 minutes	05/15/25	A
3	Create rationale for proposed solution.	A justification explaining why the app is needed.	1:30 hours	05/17/25	A
4	Define success criteria.	List of measurable features from the product.	45 minutes	05/18/25	A
5	Create a record of tasks table.	Task log with plans. Will help me plan out the process for the project.	1:00 hour	09/03/25	B
6	Draw mockups of the user interface.	Clear plan of the user interface.	2:00 hours	09/08/25	B
7	Create UML diagrams for different classes in your project.	Design of major classes in your project.	1:50 hours	09/08/25	B
8	Create core classes and objects.	The program has an object-oriented structure set up for its main components.	7:00 hours	11/15/26	C
9	Write main algorithms	The program can process input through algorithms	8:00 hours	11/28/26	C

		to produce accurate results.			
10	Debug and refine the code	Errors in the code are fixed so that the program runs correctly.	4:00 hours	12/04/26	C
11	Create flowcharts to explain algorithms.	Explanation of how complex algorithms function.	1:00 hour	01/05/26	C
12	Annotate and comment code with explanations.	Clear documentation of the development process.	1:00 hour	01/12/26	C
13	Record demonstration video of app.	A 5–7 minute .mp4 showing all main features working.	2:00 hours	2/01/26	D
14	Organize and document code for extensibility.	Appendix contains structured code.	1:00 hour	2/05/26	D
15	Write evaluation of success criteria	Written reflection showing which goals were met with evidence.	1:30 hours	2/07/26	E
16	Collect client feedback	Interview the client and collect their feedback on the product.	30 minutes	2/09/26	E
17	Suggest improvements	At least 5 recommendations for future development from a teacher and the client.	40 minutes	2/10/26	E

18	Review criterion A, B, C, and D	Make sure the format is correct and finalize the IA	45 minutes	2/10/26	A, B, C, D
